COVID-19 & the Workplace: Applying the FFCRA, ADA and EEO Rules

Adian Miller of **Barrett & Farahany** moderated a CLE sponsored by the ABA Commission on Disability Rights on the topic of "COVID-19 & the Workplace: Applying the FFCRA, ADA and EEO Rules" on August 12.

She was joined by **Stephanie Holloway**, Senior Analyst, U.S. Department of Labor, Wage and Hour Division and **Aaron Konopasky**, Senior Attorney Advisor, U.S. Equal Employment Opportunity Commission.

The attorneys produced a nice breakdown of leave under the FFCRA and its interaction with FMLA and ADA. They also crafted some real-world hypothetical situations to illustrate their points.

We want to share the **very informative slides** from their presentation with you.

If you have any questions about leave during the pandemic, please give us a call at **404.487.0922**.
