At Barrett & Farahany, we do things differently.

Our Atlanta employment lawyers believe in helping employees and protecting their rights, and we work in true partnership with our clients - our clients know they have been heard.

When you reach out to us, you will speak with an attorney, free of charge - not a paralegal or staff member. Our case evaluation team is staffed entirely by knowledgeable attorneys who can provide the assistance you need to understand your rights and know what steps to take next.
