PROVING ILLEGAL WORKPLACE BEHAVIOR

HOW TO PROVE WRONGFUL TERMINATION

Everyone wants a steady, decent-paying job to ensure a secure and happy life. But sadly, the American workforce remains no stranger to wrongful termination. This form of firing occurs when an employee is dismissed from their job in a way

that goes against their state's employment laws or the terms outlined in their contract. Fortunately, you can file a wrongful dismissal lawsuit in such a case to help you recover damages with evidence and the help of an attorney.

HOW TO PROVE A HOSTILE WORK ENVIRONMENT

Hostile work environments are not the easiest things to prove, but there are clear signs and evidence that you can consistently find across many examples. If you're not sure if your workplace is a hostile work environment, we can offer help with that. Our employment law attorneys have the experience you need to solve this issue.

HOW TO DOCUMENT EVIDENCE FROM YOUR WORKPLACE

Illegal workplace behavior like employment discrimination is, unfortunately, still a common occurrence in today's workplace. If you experience or witness behavior like employment discrimination, the best way to protect yourself in the future is to document it.
