MEET THE TEAM AT BARRETT & FARAHANY

WE NEVER BACK DOWN

We live in a country where employers feel like they have all the power in the world. It's easy to make an employee feel small and defenseless, so that's why it's our job to do the opposite.

We work to remind employers that their employees deserve to be treated with dignity at all levels of employment. A business cannot sustain itself off the backs of mistreating its workers.

EXPERIENCE MATTERS

We've been around longer than any other employment firm in the Southeast, with a large legal team to support that experience. We know what's at risk for employees when they challenge their employers, and we will never take that lightly.

One of the most important lessons we've ever learned as a firm is that it's not enough to hear but to listen and understand the client's situation. That's how we're able to ensure that our clients leave the courtroom feeling empowered, rather than stepped upon.
