HOW MANY DIFFERENT WAYS CAN YOU BE WRONGFULLY TERMINATED?

Losing your job can leave you overwhelmed with questions and doubts, especially if you suspect the dismissal was unfair. Determining whether or not your termination was justified may seem daunting. Yet, it's crucial to know for sure. Wrongful termination is against the law, so you may be entitled to compensation.

If you find yourself questioning whether or not your firing was legal, we can help. We'll break down the key types of wrongful termination, such as discrimination, retaliation, and breach of contract. Additionally, we'll provide you with clear steps on what to do next if you believe you've been treated unlawfully, including how to find the right wrongful termination attorney.

- **Company Downsizing:** Losing your job due to the company needing to reduce its workforce.
- **Violation of Company Policies:** Being terminated for breaking company rules or policies.
- **End of Contract:** Not having your employment contract renewed when it naturally expires.
